

Herbal/Traditional Products in Tunisia

October 2023

Table of Contents

Herbal/Traditional Products in Tunisia - Category analysis

KEY DATA FINDINGS

2023 DEVELOPMENTS

Herbal/traditional paediatric dietary supplements in demand

Domestic brands gaining ground

Important presence of unpackaged artisanal herbal and traditional products presents a barrier to growth

PROSPECTS AND OPPORTUNITIES

Rising number of physiotherapists and herbal doctors set to boost sales over the forecast period

A strong tradition for herbal medicine and a growing interest in natural solutions should help drive demand

Competition likely to remain stiff as local and international players recognise the potential in the market

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/herbal-traditional-products-in-tunisia/report.
