

Digestive Remedies in New Zealand

October 2023

Table of Contents

Digestive Remedies in New Zealand - Category analysis

KEY DATA FINDINGS

2023 DEVELOPMENTS

Resurgence of dining out increases demand for digestive remedies

Poor diets with a lack of fibre result in indigestion and heartburn

Reckitt Benckiser maintains its lead in digestive remedies, ahead of Johnson & Johnson

PROSPECTS AND OPPORTUNITIES

More New Zealanders expected to resort to digestive remedies, due to poor diets

Improving gut health will be key focus of packaged food manufacturers and producers of dietary supplements

Consumer loyalty to their chosen remedies will remain an obstacle for smaller players

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/digestive-remedies-in-new-zealand/report.
