

Weight Management and Wellbeing in New Zealand

October 2023

Table of Contents

Weight Management and Wellbeing in New Zealand - Category analysis

KEY DATA FINDINGS

2023 DEVELOPMENTS

High obesity rates drive growth in weight management and wellbeing, with supplement nutrition drinks leading the way
Meal replacements continue to decline, despite wide product variety, while weight loss supplements retain their appeal
Strong competition from sports nutrition places pressure on sales

PROSPECTS AND OPPORTUNITIES

High obesity levels will sustain demand for weight management and wellbeing products
Ageing population presents opportunity for supplement nutrition drinks
Weight management products will face growing competition from other products targeting a similar demographic

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/weight-management-and-wellbeing-in-new-zealand/report.
