

The Advance of Sustainability in Alcoholic Drinks

April 2023

Table of Contents

INTRODUCTION

Scope

Key findings

OVERVIEW

Environmental impact is the key defining feature

Sustainability is gaining prominence, but how engaged are consumers?

Price versus progress?

Taking the value chain into account is vital

Key areas of legislation affecting alcoholic drinks

Selected environmental targets of alcoholic drinks players

PRODUCTION AND PACKAGING

Regenerative agriculture aims to build natural resilience

Organic options: On the rise, but set to remain limited

“Natural” wine: Much-needed disruption?

Wine producers are forced to adapt to the effects of climate change

Collaboration gains momentum

Packaging provides a visible demonstration of change

“Recyclable” is seen as the key feature of sustainable packaging

Packaging innovation can support modernisation in wine

Frugalpac Bottles: Differentiation through design

Waste or resource? Leftovers offer an additional revenue stream

COMMUNICATION AND BRANDING

Tequila: Sustainability as an indicator of premium credentials?

Avallen Calvados: Environmental considerations enhance brand positioning

New Belgium Brewing gambles on sustainability emphasis for Fat Tire Ale

Engagement potential will expand with progress

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
