

# Mexico: Consumer Profile

August 2023

Table of Contents

## INTRODUCTION

Scope

Key drivers affecting consumers in Mexico in 2022

How developments today shape the consumer of tomorrow

Key findings

## POPULATION AND SOCIETY

Today 2022: Generation Z are dominating the Mexican consumer landscape

Mexican population remains rather young, yet older cohort is expanding rapidly

Mexican baby boomers are more active on social media, compared to global results

Tomorrow 2040: Younger generations continue dominating, yet life expectancy on the rise

Generation Z will be the dominant consumer group, holding solid purchasing power

Largest cities to maintain solid growth

Areas of opportunity

Case Study: Aromatel Rinde+ launches a new detergent in Mexico

## HOUSEHOLDS AND HOMES

Today 2022: Mexicans have larger families, compared to regional and global peers

While the number of childless households is rising, larger families remain predominant

Safe location remains the most important home priority for Mexicans

Tomorrow 2040: While childless households become more popular, larger families dominate

Older men will remain key household decision-makers

Digital connectivity to witness robust expansion, yet fail to reach universal internet access

Areas of opportunity

Case Study: Delivery service Rappi selects Mexico for trial of cryptocurrency payments

## INCOME AND EXPENDITURE

Today 2022: Growing income yet persistently high income inequality

Rising inflation pressures purchasing power and curbs spending potential of the middle class

Millennials most eager to increase spending while baby boomers remain cautious

Tomorrow 2040: Social classes D and E will remain predominant social groups in Mexico

Younger generations are becoming more affluent and influential

Mexico City becomes hub for digital nomads, boosting cost of living

Areas of opportunity

Case study: Kolors connects passengers with intercity coaches for superior travel experience

## LIFESTYLES

Key findings consumer survey

Millennials hold the most optimistic outlook while Gen Z are more concerned about their future

Mexicans are optimistic about their future potential to save more money

Having a strong work-life balance remains top work priority

Mexicans are bargain-seekers, yet do not lean towards minimalistic lifestyles

More than half of Mexicans are worried about climate change

Case study: Kimberly-Clark launches sustainable alternative Kotex cero

Areas of opportunity

## CONCLUSION

Key findings

## About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research

spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
