

# State of Consumer Foodservice Loyalty Programmes and Opportunities for Expansion

April 2024

Table of Contents

## INTRODUCTION

Scope

Executive summary

## STATE OF PLAY OF LOYALTY PROGRAMMES IN FOODSERVICE

Loyalty ensures customer retention and added value to the overall eating experience

There is potential for increased participation in restaurant loyalty programmes

Groceries and foodservice characterised by robust weekly purchasing habits

Distinct purchasing habits and expectations across generations create loyalty opportunities

Opportunities lie within purchase habits and affluent populations

Two main categories of loyalty programme features: Traditional and next-gen

Top 10 leading foodservice operators rely heavily on point-based programmes

Restaurants explore gamification for enhanced engagement and onboarding

Domino's, KFC and McDonald's are at the forefront of app engagement

Scalability, rewards and time constraints are key barriers for foodservice schemes

Competition intensifies as it shifts towards the app space on consumers' smartphones

Top 10 leading third party delivery players and their loyalty schemes features

Four predominant features found in third party loyalty programmes

Ordering from a restaurant's app is primarily driven by factors other than loyalty

Foodservice rewards lack ambition and a long-term connection with brands

## KEY TRENDS

Foodservice can capitalise on the fandom it generates to build emotional loyalty

Long-term loyalty in foodservice hinges on seizing the opportunities that lie ahead

## MOVING BEYOND THE TRANSACTIONAL

Millennials and Gen X have a shared desire to explore brands more deeply

Chipotle's value driven goals integrated as part of its loyalty scheme

The Club Cage uses a Canadian hockey team to ignite emotions among its members

## HYPER-PERSONALISATION

Providing personalised experiences reflects a brand's understanding of its customers

McDonald's personalises its services by preparing meals before customers' arrival

Burger King uses Royal Perks members' preferences to create the next Whopper

## BRAND COMMUNITIES

Brands should adopt a dynamic approach to activate and cultivate brand communities

Taco Bell empowers loyalty members to take part in the design of hot sauce slogans

Food Fighters Universe fosters digital community with Web3 technology and NFTs

## KEY TAKEAWAYS

## About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover

a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link [www.euromonitor.com/state-of-consumer-foodservice-loyalty-programmes-and-opportunities-for-expansion/report](http://www.euromonitor.com/state-of-consumer-foodservice-loyalty-programmes-and-opportunities-for-expansion/report).
