November 2024

Table of Contents

Our expert's view of the Packaging industry in 2023

Packaging snapshot

Key findings

Key facts to share

Top trends in packaging

Top trends uncovered

Drivers of consumer markets and impact on packaging

Trends in packaging have far-reaching resonance

A modest recovery for consumer packaging is in progress

Flexible packaging leads global demand but metal brings the dynamism

Asia Pacific and Latin America are strongly performing regions

Food and drink: Packaging powerhouses with demand shaped by affordability and home living

Non-foods rise: Pet food pouch is top performer; pouch gains in beauty and home care too

Top 3: Flexibles' versatility reigns, though circularity is a challenge for flexibles and rigids

Paper and glass: Out-of-home alcohol losses knock glass, while paper continues to grow

India is the key driver of packaging growth, while China falters

Innovation India: Health and sustainable pack launches align with consumer priorities

Material circularity: Business leaders pledge to do better via packaging and climate targets

Sustainable packaging is a must-do for reputation, and it delivers brand growth

SWOT analysis

Key growth opportunities are underpinned by circularity, function and emerging markets

Global retail packaging demand by industry and material group

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
